Article number: ILB0001 - PU 1

**Branded writing instrument from Swiss
perfection!**

Prodir® Softtouch Ballpoint Pen

The revolutionary QS40 True Biotic combines maximum sustainability with the highest quality in design and craftsmanship. Material and design speak the same language. The material used by Prodir was developed in collaboration with the MAIP group in Turin, an internationally leading provider of innovative biopolymer solutions.

**Awarded the iF Product Design Award and the
Promotional Gift Award.**
